

NEO WI-FI

Minimalistic panel heater developed from
Scandinavia's bestselling design series

DESIGNED FOR
NORDIC CONDITIONS

QUALITY FOR
70 YEARS

MARKET LEADER
IN SCANDINAVIA

Adax Neo panel heater with Wi-Fi is not just a heater, but also a part of your interior. Developed from Scandinavia's bestselling heater series, it is now delivered with an updated and minimalistic design.

- Connect easily to your Wi-Fi router at home, at the office, or at your cabin
- Adjust temperature with the Adax Wi-Fi app or locally on the panel heater
- Neo Wi-Fi is splashproof (IP24), double insulated and protected against overheating
- Can also be delivered with DT thermostat
- Approved Ecodesign 2018
- 5 years warranty
